

CERTECH Online Terms of Trade

The CERTECH web site is intended for use by **CERTECH Authorised Resellers only**

Site Access

Your username and password have been provided for account only access to the CERTECH web site. Online accounts make available confidential information regarding your company's product pricing and order details.

Responsibility for the management and security of your user name and password resides with your company, so it is important that you implement and maintain procedures to keep this login information secure.

Pricing

The pricing selected on any online order is deemed to be indicative at the time the order was created. This pricing may be subject to change without notice during the online order creation and the order being submitted to CERTECH. The pricing selected on any online order may also be subject to quantity pricing which will be applied by CERTECH offline.

Agreement

By clicking the "Accept" button below you confirm that you accept the terms as outlined and furthermore are authorised to accept these terms. CERTECH Online Terms of Trade are subject to change without notice.
